MLC INFORMATION MORNING
The only way to truly appreciate the qualities that set MLC apart is to come and take a tour of our school. The College invites you to join them at one of their Information Sessions. You will have the opportunity to meet our Principal, Diana Vernon, talk to the teaching staff about your daughter’s specific interests and learning needs, and take a student-led tour of the College.

PLEASE NOTE
The MLC Gymnastics Club has a small number of students who suffer from severe life threatening allergies. In order to provide a safe environment for these children, we are requesting that no food products containing nuts are brought to training.

While it is not possible to guarantee that nut products will not be in the PEC, we request that all members make an effort to support this so as to ensure the safety and wellbeing of all students.

Please ensure there is no eating food in the Gym or the Sports Hall.
