Dear Parents,

I hope that everyone is well and having fun!

The Rio Olympics 2016 is almost under way! All GFA athletes are invited to participate in a fun novelty **Olympics themed week**, commencing 15th August.

**What to wear:** Gymnasts are encouraged to dress up in the 'Olympics' theme and accessorise accordingly (keeping in mind that they will need to train so costumes should not be restrictive).

Some suggestions include; dressing in colours associated with a particular country, dressing up to represent an Olympic sport, accessorising with Olympics’ symbols such as the Olympic Torch or Olympic rings, sombrero or berets.

Please check your TV guide in respect to viewing times, as it would be a great experience for the gymnasts to watch the skilled athletes in action.

The final formal GFA class assessments for 2016, will occur over two weeks, commencing 22nd August. To avoid disappointment, please try and ensure your children attend.

One final note, because it is so cold lately, please remind your gymnasts to wear their shoes and jumpers when they leave after gym.

Keep warm and enjoy the last couple of weeks of winter.

Do not hesitate to contact me should you have any queries.

Sincerely,

**Ros Sagnelli**
