

In the event of any child becoming ill or injured while at MLC Gymnastics, staff will notify the parent or emergency contact persons (authorised by the parent) to collect their child. All coaching staff hold a current first aid certificate. MLC also has a Health Centre, which is staffed by a qualified nurse during school hours, who can provide advice and administer first aid care if needed. If the nurse is unavailable, the Doctor as specified on the child’s medical form may be called depending on the level of need.

In the event of an emergency, it may be necessary to call an ambulance to take the child to hospital. You would be contacted immediately and a senior staff member would accompany your child. Parents are responsible for the costs involved. **Please ensure that your emergency contact details are up to date at all times.**

We believe that sick and/or contagious children recover best at home. Sending sick children to MLC Gymnastics is unacceptable. Also listed in the Policies page are Guidelines from the Department of Human Services for the minimum period of exclusion for infectious diseases cases and contacts. You should familiarise yourself with the listed diseases and ensure that you follow the guidelines should your child become ill.

All gymnasts are registered with Gymnastics Australia and have access to claim for Personal Injury Cover. Please see http://www.gymnastics.org.au/GA/Club_Development/Club_Affiliation/Benefits_-_Insurance for further information.

All Cheerleaders are registered through AASCF – please see <http://www.aascf.com.au> for information on Personal Injury Cover.

Further Information

If you would like further information, please email blythsw7@mlc.vic.edu.au or write to MLC Gymnastics at 207 Barkers Road, Kew 3101 or contact our office on (03)9274-6410
