- Be willing to communicate with staff concerning any problems which may arise related to gymnastics training and competition
- Be a part of the MLC Gymnastics Club - Parent Support Program by assisting at Club Events and taking on rostered duties when specified. For further information regarding the requirements of the Parent Support Program please contact the Events coordinator.
- Participate in fundraising activities to assist the club and gymnasts

- Attend parent meetings, education sessions and nutrition sessions throughout the year. This ensures that parents gain an understanding of the training program, competition program and the support process required by a competitive gymnast.
- Note that watching training is capped at 15 minutes at the beginning and end of training. Excessive watching can hamper the development of the training program and have an impact on the relationship developed between the coach and the gymnast.
